Go Testimonies

We love to hear how you are being more open to opportunities to share with people as part of our GO Vision. Sue Bull will share her experience of the challenge of this in our time together on Sunday.

Rob was chatting with a visitor to the house who had come to give a lift to one of their lodgers. She shared that she was a spiritualist and faith healer which led to a very interesting conversation - a challenge how to share the truth about Jesus without compromise.

Celebration at the Dykes Farm

We are planning to hold an open-air celebration at the Dykes farm like last year. This will be on **Sunday 12th May at 10:30 am** followed by a BBQ. We are glad that HOPESTREAM will be joining us to lead our sung worship. Please keep this date in your diaries and invite your friends.

- We will need **some able bodied help on the Saturday** beforehand to set up a marquee - please let us know if you can be available **2:00pm Saturday 11th**. Given the size of the marquee I am told we need about 10 people ideally!! Should be fun.... Please contact Rob if you can help at the farm.
- Transport arrangements should be similar to last time - we will arrange a convoy from the chapel. Please car share if possible.
- We will be holding the celebration in a field with uneven ground. Please let us know if you need extra help at the venue. Portaloos will be available on site.
- We will provide the BBQ and Burgers but it would be great if some can provide salads etc. There is a list at the back of chapel- Thanks

Creche

We have set up a creche in the **Prayer room** with toys for the adults and a video and audio for the children!! Parents with pre-school aged children are welcome to use this area during the service each week. Children at school age are very welcome to join Sunday School in the Hall across the road. This has a relay from the main meeting so you should still be able to hear what is going on.

Special Help Needed to set up Shine – Thursday 2nd May.

The hall is being used as a polling station on 2nd May. So, we can't set up Shine in the day like normal. Is anyone available please at **10:00pm on Thursday 2nd May** to help us do a late set up? Please let Rob and or Carolyn know. Many thanks.

The election planned for 23rd May has been uncontested so they do **NOT** need to use the chapel - meetings can go ahead as originally planned.
